

Does Islam promote  
terrorism ?

Making a threat to the world?

Islam  
is peace

**Islam**  
Mean Peace

## Terrorism :

---

When innocent people are specially targeted to fill fear in a population.

**It is categorically prohibited in Islam.**

Unfortunately, due to the actions of some  
ignorant Muslims as well as biased reporting  
in the media,  
The religion of Islam has come to be associated with  
**Terrorism!!**

“Whosoever killed a person...  
It shall be as if he had killed  
all mankind.”

— *The Holy Quran (5:33)*

- As a matter of fact, **Islam** and **terrorism** are precise **opposites**;

The very name , **Islam**, denotes **peace and submission**. **The fundamentals of Islam direct its followers to maintain and promote peace throughout the world**. Islam is a faith of moderation; thus a righteous and God-fearing , **there is no connection** whatsoever **between Islam and the violence** practiced by terrorist groups in different parts of the world.

- Islam prohibits and disassociates itself from the violent acts that have been carried out by some of its members in the name of religion. All religions and ideologies have some misguided followers, and it is surely unfair to judge any one of them by the behaviour of such people.

# The only way to know the truth about Islam is to study its teaching, what does Islam say about terrorism:

Islam a religion of mercy, doesn't permit terrorism.

- In the Quran, Allah has said:

( God does not forbid you from showing kindness and dealing justly with those who have not fought you about religion and have not driven you out of your homes. God loves just dealers)

- The prophet Mohammed ( peace be upon him) used to prohibit soldier from killing women and children and he would advise them: "Do not betray, do not be excessive, do not kill a new-born child".

The Quran prohibits murder in clear terms:

( And do not kill the soul which Allah has forbidden { to be killed} except by {legal} right)

(whoever kills a soul unless for a soul or for corruption {done} in the land- it is as if he had slain mankind entirely. And whoever saves one – it is as if he had saved mankind entirely.)

- **Such is the value of a single human life that God equated the unjust taking of one life with killing all of humanity. Individual Muslims can never take decisions about who should be killed or punished.**

( and do not let the hatred of a people prevent you from being just. Be just ; that is nearer to righteousness.)

Enmity toward any people or nation should not provoke Muslims to commit aggression against them or disregard their rights. As for the spread of Islam, this is supposed to take peacefully by spreading the message through the written and spoken word.
